## Section 1 Changes to Benefits and Costs for Next Plan Year

---

### Section 1.1 Changes to the Monthly Premium

---

Your plan sponsor will notify you of any changes to your plan premium amount, if applicable.

### Section 1.2 Changes to Your Maximum Out-of-Pocket Amount

---

Medicare requires all health plans to limit how much you pay “out-of-pocket” for the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the plan year.

Cost	2022 (this plan year)	2023 (next plan year)
<b>Maximum out-of-pocket amount</b>	\$6,700	\$6,700
Your costs for covered medical services (such as copays) count toward your maximum out-of-pocket amount. Your plan premium and your costs for prescription drugs do not count toward your maximum out-of-pocket amount.	Once you have paid \$6,700 out-of-pocket for covered Part A and Part B services from network providers, you will pay nothing for your covered Part A and Part B services from network providers for the rest of the plan year.	Once you have paid \$6,700 out-of-pocket for covered Part A and Part B services from network providers, you will pay nothing for your covered Part A and Part B services from network providers for the rest of the plan year.

## Section 1.5 Changes to Part D Prescription Drug Coverage

### Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” **You can get the complete Drug List** by calling Customer Service (1-800-457-8506) or visiting our website ([retiree.uhc.com](http://retiree.uhc.com)) to look up which drugs will be covered by your plan.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next plan year and to see if there will be any restrictions.**

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug List to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Customer Service for more information.

### Changes to Prescription Drug Costs

**Note:** If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” you will receive a “LIS Rider.” If you don’t receive it, please call Customer Service and ask for the "LIS Rider" to be sent to you.

There are four “drug payment stages.”

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

**Important Message About What You Pay for Vaccines** - Our plan covers most Part D vaccines at no cost to you. Call Customer Service for more information.

**Important Message About What You Pay for Insulin** - You won't pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on.
